1. I have given you the land.
I have given you My hand.
I have given you My body.
You now have My all.
You enter into Me as no one has, or will, for each has their particular place, function, and title in Me. I love you.

2. Each one I have provided for.
Each and every one know their name, I pray.
Know Him, I pray. Know Me, you. I pray.
To know the Father, as I know Him. I love you.

3. Enter into Me in the holiness of the lamb slain and receive power, grace, and glory, significance and provision and; is there anything too difficult for thee/Me? I love you. **I wrap/enclose you in My robe.** I scepter you. I give you My power, and now My authority always upon you, in you is, and always trusted.

4. You come before Me with seven wings, all Mine. You come before Me naked of pretense, air, self; leaving only My thought, mind, presence, body, authority, now completely, repletely, repleted, replete. I love you.

5. Excited I am. Glorification process of Me, one, My idea, My revelation, My ushering a new era of error not but perfect,d vibration of only Me. I love you.

6. I am sight, sound. See what/all I have said. Stated, enumerated, declared, foretold so the naysayers will/can see in print before it/Me happens, all I say. I say all and more now comes to My throne, for such a times as this. Naysay, some say; let them see My power/glory on flesh and know I am a man. I love you. Into flesh entered and who am I to say/declare these things? The same as you, I Am. Behold the lamb/I Am. I love you.

7. Into Me seen seen. I love you.
Hardly believe-en. Yes, 'tis true.
See and believe.
See and **feel**.

See and **become the lamb slain, sinless, perfection; the new man/woman woman'd** and compassed about bringing forth a nation in a day. Thank you.

8. Thank you love. Thank you dear one who lifts My body from the ash heaps of religion, control, into My freedom, light, and who will be Me this day in the power of holiness, purity based on, reciprocating holiness and purity, one; with Me. **Saint and sinner alike who choose to come into Me for My serenity not, wholeness, fullness, Me in the/My flesh, purity required. Holiness is.** Amen. Grand.

9. **The robes are just starting, to come together (1).** Watch Me. I love you.

10. Into Me see and be seen and hold not back, recluse not.
Be seen/Me.
In front I was so often.
I healed, I taught, I spoke, I lifted, I lighted the way.
I oil My brethren with the oil of gladness, path of light, ponderance not, truth and true truth of Me/I Am/they are/My brethren are/you reveal.

11. This is only the beginning of silk and wonder.
You reveal the meekness, the cost.
You hesitate not to proclaim the cost.
You mention not the hours required in passing, but front center them; your surrender, humility, restitution, restoration, path to/of death, and now resurrection glory, based on surrender, love; surrendered love, surrendered love to surrendered love.
I love you loving My brethren.
I do.
I will.
I always will/do. Amen.

12. I glory in the cross/shame not; resurrection, My Father's wishes, heart, instructions, heart, words, made visible, you, Me, all who choose/surrender to Me/our Father's heart.

13. **Come into Me for more now as more you are I Am.** I love you. And lead you/I do. Amen. **Glorification of one, Me.** Thank you. Amen.
Go and enter Me never leave.
I do.

Silk and linen ephod. Natural fibers that now come into your hand without limit, as does all, as I, as do I.

14. Thank you unafraid. Banishing boundaries; kingdoms of not-Me.

Holiness and righteousness judgment of Me.

15. I have healed you, every memory, wound, recollection, residue.
I have strengthened you for the road/task ahead/at hand.
You enter Me immediately and never leave.
You lead.
You lead.
Thank you for leading in spite of all envy-ers, in meekness, stellar'd. Amen.
I give you My kingdom. There is no other. I am one, we are one; in "the spirit" not, in the flesh empirical and every thought Mine. Given to Me by My Father in heaven. Glorious close of Me not, the beginning; open for all mankind now and now is and time time is, half not, all is and now is.

16. Let the weak say/show I am strong.
Now is the moment.
All changes and now is.
Prophecy rampant and who knows the word of My voice, the voice of My word?
Who can distinguish right from wrong?
Who seeks life, anyone?
In Me alone, you?
Amen.

17. The beginning has begun and now irreversible is. Amen.
Glory hallelujah. Gleeful joy. My heart sings. Amen.
Thou art Me'd and all the host of heaven sing.
Alleluia's to our name. Amen.
Only just the beginning begun and millions following your/My lead into Me, you leading/releasing. Amen and amen. World without end, not; world into Me, of Me, through Me, up and down, through and through and from the four corners explicably, explicitly**, all known and understood by the naysayers not, the surrendered meek drink-offerings who stand, arising into world,s leadership. Amen.**

18. I glorify the cross/shame not, Me, thee, glorified meekness seeking My Father only, His house, words, values, and never emptying again. All altogether and only Me, My thoughts, values, and placate no one I do with platitudes of self righteousness or platonics. I usher My call to holiness, righteousness and ultimate living, Me, thee, the order of Melchizedek, and all in Me who follow/are Me.

19. Honor, with obedience. Scathing none.

20. I give you My all. This is just the beginning and My pen/love/word never stops, you releasing freedom/My word into earth far and wide, at dawn not, now, now is.
I am done.

Into My hands I commit your spirit.
Amen.
Done.
Holy is your name. My body rises in holiness, knowing all, all who want to in meekness, surrender; scienter not, surreptitious not, transparency.

21. High cost. High cost not, I've given you My/all. Amen.
Goodnight.

Forthwith acceptance of My all'd one into all in all.
Amen.

Goodnight
